

Good day

The Financial Intelligence Centre (FIC) wishes to advise that it is currently not able to receive mail from its Private Bag address at Centurion Post Office.

For this reason, the FIC requests that any mail intended for the FIC via Private Bag be dispatched to the FIC's offices via courier service, Postnet (Southdowns or Doornkloof), e-mail or hand delivered. Anyone wishing to dispatch mail via any of these services is asked to contact the FIC on 012 641 6000 for further details.

The FIC will provide an update if and when there is any change in the current situation.

The FIC apologises for any inconvenience caused.

Regards

Financial Intelligence Centre
